

REMARKS

In the Office Action, election was required between species (i) "metal modified nanoparticles being positioned on the inside surface of the packaging material" and (ii) "metal modified nanoparticles [that] are positioned on an insert located within the package". In response, Applicants elect to prosecute the species (i). Claims 34-35 and 39-48 read on this species, and claims 34 and 39-48 are generic.

Applicants respectfully submit that the present application is in complete condition for allowance and favorable action, therefore, is respectfully requested. Examiner Aughenbaugh is invited and encouraged to telephone the undersigned, however, should any issues remain after consideration of this Response.

Please charge any additional fees required by this Response to Deposit Account No. 04-1403.

Respectfully requested,
